	Tell me about yourself.
	How do you establish good communication with your supervisor and colleagues?
	Tell me about a time when you have had to use good decision making and problem solving skills in order to accomplish something.
	Describe a project, assignment or task you worked on as part of a team that had a successful result.
	If someone informed you that you were not acting very professional, what would that mean to you?
	Give me an example of a time you took initiative.
